For more information and application documents: phd@vfu.bg

exclusive student package

To provide you with rapid adaptation to the university academic environment, we have prepared AN EXCLUSIVE STUDENT PACKAGE for you.

It will ensure priority application and the approved students will have a personal mentor during the training period, personal career consultant, transfer from Varna airport to VFU upon initial arrival in Varna, orientation days at VFU, full access to the resources of the university intended for students – all free of charge. We will gladly assist you to prepare the application form, as well as to obtain the necessary documents to apply for a visa (if needed) and to get a first residence permit in Bulgaria. We will also arrange your accommodation in our student hostel (upon initial arrival).

You can find more information about the stages of the Exclusive Admissions on the university website.

ADMISSIONS

Our admissions counselors look forward to meeting you. For your convenience, we have developed one of the most flexible admissions systems. The Admissions Center team is available to you should you need any information. You can contact us to get help about the best way to prepare the required admissions documents and the different steps of the admissions process. To be enrolled as a student at VFU you need to take the following steps:

STEP 1: Choose your programm.

You can find information about the programs we offer at <http://vfu.bg/en>.

STEP 2: Prepare your admissions documents:

Bachelor's programms and Master's programms (after secondary education)

1. An application form (VFU form);
2. A copy of a diploma for completed secondary education with the supplement with the received grades;
3. A document issued by a competent authority, certifying that the candidate is entitled to continue their education at an university in the country where the high school was acquired (original);
4. A document for proficiency in the language of teaching in the prospective course of study(applicable for applicants who will not go through a language or specialized training);
5. Power of attorney (form of VFU);
6. A copy of the candidate's international passport;
7. Photographs -4 color photographs - 3,5/4,5 cm;

The documents under items 2 and 3 must be certified by a notary, legalized, translated into Bulgarian and certified in accordance with the provisions of the international treaties between the Republic of Bulgaria and the country in which they have been issued.

Master's programms

1. An application form (VFU form);
2. An application form for recognition of previous degree (VFU form);
3. A copy of the document for completed higher education, and of the supplement with the grades;
4. A document for proficiency in the language of teaching in the prospective course of study (applicable for applicants who will not go through a language or specialized training);
5. A declaration for personal data (VFU form);
6. A copy of the candidate's international passport;
7. Photographs -4 color photographs - 3,5/4,5 cm;

The document under Item 3 must be certified by a notary, legalized, translated into Bulgarian and certified in accordance with the provisions of the international treaties between the Republic of Bulgaria and the country in which they have been issued.

PhD programs

1. An application form (VFU form);
2. An application form for recognition of previous degree (VFU form);
3. A copy of the document for completed higher education, and of the supplement with the grades (the documents have to be certified by a notary public);
4. A list of publications (if any);
5. 2 color photographs - 3,5/4,5 cm (for full-time studies only);

The documents under items 3 must be certified by a notary, legalized, translated into Bulgarian and certified in accordance with the provisions of the international treaties between the Republic of Bulgaria and the country in which they have been issued.

STEP 3: Submit your admissions documents.

After preparing all your admissions documents, submit the whole package to the Admissions Center. Pay the admissions fee.

STEP 4: Enrolment on a preparatory course and on the chosen programms.

Fill in the enrollment documents and pay the preparatory course fees.
