

Press Release – ENREAC-HEI

ANNOUNCEMENT OF EDUCATIONAL PILOT COURSE

“Gain knowledge and skills in the field of Open Science!”

Submit your application now to attend a free European educational course and get a certificate in Open Science.

Are you interested in finding more about the new trends in the research world, improving at the same time your skills in research and learning more about open science and how it can help your career? [Eurosuccess Consulting](#) and the [European University Cyprus](#) would like to invite you to take part in the online educational **ENREAC-HEI Open Science Course**.

The course was developed in the framework of the European project "[ENhance Researcher's and HEI staff skills and competencies \(ENREAC-HEI\)](#)", which is funded by the Erasmus+ program and coordinated in Cyprus by Eurosuccess Consulting and the European University of Cyprus.

The course will be implemented in both English and Greek and is addressed mainly to:

- Postgraduate students,
- Anyone interested in the field of research and Open Science.

It is important to stress the fact that due to the pandemic of COVID-19, the course will run **entirely online** through the **Moodle** and **Zoom** platforms, with some scheduled online sessions with the project team and trainers.

Course duration: November 16, 2020 - December 4, 2020. The duration of the course is set at **20 hours of asynchronous training** and approximately **3 hours of synchronized online meetings**, that will take place during the afternoon hours (date and time tba).

There is a limited number of spots available (30), so submit your application [here](#) until November 10, 2020. You will receive a confirmation e-mail when your admission is processed!

There is no participation fee and the participants who will successfully complete the course, will get a **certificate**.

If you have any questions or want to find out more about the course, do not hesitate to contact:
