 - Круль, Т. и М. Ариуа Тунис Карфаген, 2008;- Гречия. Ed. Тоби's, 2006
14. **Planned learning activities and teaching methods:** Lecturers make use of multimedia to display their illustrative material. A test is done and a task assignment is required – an essay and a practical task: a pencil copying of an ancient order.
15. **Assessment methods and criteria:** The grade consists of two parts – a continuous assessment grade and an exam grade. The continuous assessment grade is formed on the basis of presence during lectures, the grade from the test and the essay (an average grade). The tests are stored for a year thus allowing everybody to look at their work and find information about the motives for the respective grade.
16. **Language of instruction:** Bulgarian
17. **Work placement(s):** after the first year
